Dear Customer,

Re: Hospitality Website - Platinum Monthly Package

Thank you for downloading our *Hospitality Website - Platinum Monthly Package* order form. You can have any available name for your website address. Once we receive your order we will check availability of suitable website names including any you suggest and advise you accordingly so you can choose.

To ensure a continuous website service we ask you to setup a Standing Order using the form enclosed to cover the ongoing subscription. If setting up a Standing Order poses any problems then please discuss it with us.

Also enclosed is our Website Form which allows you to specify all the initial information you require on your website. You do not need to complete every section straight away, just fill in as much as you can and attach hard-copies, or email to support@brightspells.com, or fax to (01462) 893835, any other documents. If possible please send electronic documents to ensure the best quality of reproduction.

When we receive your completed standing order form we will order your domain name and your account will start from that date. On receipt of any initial information we will input that onto your website at no extra charge and the information will be available within just a few days.

Please can you:

1. Check the details of the enclosed Standing Order Mandate, and only fill in the red boxes where marked with an "X" (please do not complete the "starting from" box),
2. Fill in the Wizard Form with all your initial information (if required),
3. Return the completed Standing Order form (and your Wizard Form with attachments if applicable) and send to Bright Spells Ltd, 39 Sale Drive, BALDOCK, SG7 6NS.

Once your website is up and running, you can easily update your website using our very easy to use *Wizard* application whenever you like and at no extra charge. We will of course give you as much help and assistance with this as you need.

I would like to take this opportunity to thank you for your custom, and we look forward to meeting your long-term Web Marketing needs.

Finally, if I can be of any further assistance please contact me and we will do all we can to help.

Yours faithfully,

Adrian Johnson

Hospitality Website – Platinum Package Order Form

You can easily update your website whenever and as often as you like using the *Wizard* at no extra charge. However putting all the initial information onto your website can take a little time. This form enables you to specify all this information so that we can put it onto your website for you.

You can fill in as much or as little of this form as you would like. Also you can skip most sections by attaching and/or emailing us your menus, wine lists, events calendar, etc...

If you have any electronic copies of your menus, wine lists, pictures, etc. then it is much better to email them to us at support@brightspells.com instead of printing out and attaching. This will improve the quality of your website and help to minimise copying errors. When emailing us files please remember to include the name of your establishment and postcode on the email. If you are sending several files then please send each file separately.

After you have completed this form please ensure you have attached and/or sent to support@brightspells.com all the necessary documents and return this form to Bright Spells Ltd, 39 Sale Drive, BALDOCK, SG7 6NS.

Once we receive your order we will contact you to discuss your specific website layout requirements.

Finally, if I can be of any further assistance then please contact me on **(01462) 49 10 30** or at support@brightspells.com and I will be happy to help.
